From the President.....

The BIG question???? - and it is still the question??

Will HCC have curling this year??

I can tell as of today, ~~Saturday November 14, Wednesday, November 25 2020~~ January 1, 2021 the answer is ~~YES, More than likely.~~ YES!!

The Board is still busy planning and preparing to have a safe fun Curling experience. The board has decided to start the machine Monday, January 4 and plans to start curling Monday, January 18th. Here is a broad plan for the year:

Week of January 18 – Burns Spiel and USWCA Pin Playdowns – finals Saturday, January 23 – Burns Night

Starting January 25 – 8 week League – 2 games will start at 6pm and 2 games at 6:15. This will help with social distancing. League playoffs the week of March 22nd. Shut down March 31st. Spiels are still being discussed. If they occur, they will be limited to 8 teams, 3 games, played in one day

CoVid Plan

The HCC CoVid plan is being fine-tuned and is a fluid document, just trying to keep up with what the state is allowing us to do. Our main goal will be to offer a safe fun experience. The Aire purifier is being installed as well as controllers to regulate air flow. The carpets and chairs have been professionally cleaned. Touchless hand sanitizers and soap dispensers have been installed. Signage will be posted with all the safety guidelines.

A complete CoVid protocol will be on the website shortly. <https://mapletoncurlingclub.org>

Masks

A major component of our CoVid plan is wearing a mask. Studies are continuing to show that masks really help slow the spread.
